SUNNY SAFARIS

TANZANIA

Adventure Camping Safari

ADVENTURE CAMPING

Conservation Area
Game Reserves
Game Controlled Areas

Experience the adventure of sleeping under the stars in the vast African wilderness and the flexibility of a mobile camp, where we choose the best locations for animal viewing according to the time of year.

Adventure Camping Set-up.

Adventure Camping is a great way to experience Africa 24 hours a day while roughing it in the bush, but with the security of being looked after by our experienced staff.
Comfortable walk-in tents are erected at carefully chosen public bush sites which are both within and outside the Parks.
Rollup mattresses and pillows, sleeping bags, chairs and other equipment are all provided.
for private safari 1-6 persons in a vehicle, all camping equipment will be packed in your safari vehicle, and for big groups is a different setup.

T 780 ATX

We had a fantastic 3 day safari with Sunny Safaris! The guide was incredible and very knowledgable, as well as very friendly which made for a very special & enjoyable trip. Camp site was great with many ammenities (very clean showers/ toilet). The cook fed us very well and we were always full of delicious food. Very happy with the experience and will defiitely reccommend sunny safaris to others. Hayley & George
